

AMALIA CALDERÓN- ARGELICH

POSTDOCTORAL
RESEARCHER

PROFESSIONAL PROFILE

I am a socio-environmental researcher passionate about urban environmental justice, exploring interdisciplinary themes such as social equity of urban greening policies, environmental gentrification, climate adaptation and urban vulnerability, urban ecosystem services, use and perception of public space. I am also interested in feminist and gender perspectives in research.

VALUES

I am deeply committed in building an Academia that redefines excellence and guarantees labor rights, gender equity and an ethic of care by integrating the fundamental principles of feminism, care, support.

EDUCATION

PhD degree in Environmental Science and Technology

at Institut de Ciència i Tecnologia Ambientals of Universitat Autònoma de Barcelona (ICTA-UAB) 2019.

Cum Laude and **International** mention

MSc degree in Interdisciplinary Studies in Environmental, Economic and Social Sustainability

at Institut de Ciència i Tecnologia Ambientals of Universitat Autònoma de Barcelona (ICTA-UAB) 2018.

Science and Management of Global Change pathway

BSc degree in Biology

at Universitat de Barcelona (UB) 2017

Biodiversity pathway

ACADEMIC POSITIONS AND AFFILIATIONS

Postdoctoral researcher (2023 - ongoing)

Barcelona Laboratory for Urban and Environmental Justice and Sustainability research group (www.BCNUEJ.org) at Institut de Ciència i Tecnologia Ambientals of Universitat Autònoma de Barcelona (ICTA-UAB).

Predocctoral researcher (2019 - 2023)

Barcelona Laboratory for Urban and Environmental Justice and Sustainability research group (www.BCNUEJ.org) and Laboratory for the Analysis of Socio-Ecological Systems in a Global World research group (www.LASEG.cat) at Institut de Ciència i Tecnologia Ambientals of Universitat Autònoma de Barcelona (ICTA-UAB).

Visiting researcher (August - November 2023)

City University of New York (CUNY) Graduate Center with Prof. Kenneth Gould.

Visiting researcher and teaching assistant (February - May 2023)

Vrije Universiteit Brussels (VUB) Department of Geography with Prof. Francesc Baró.

Research fellow (2021)

Regional Academy on the United Nations (RAUN) www.ra-un.org.

SUPERVISORY EXPERIENCE

- **MSc thesis co-supervision:** Jacob Murray Strauss at Universitat Autònoma de Barcelona during academic year 2023-2024.
- **External MSc internship co-supervision:** Eider Etxebarria at BCNUEJ from University of Groningen during academic year 2023-2024.
- **External BSc thesis co-supervision:** Hanne Carla Bisjak at Leuphana University Lüneburg during academic year 2022-2023.
- **MSc thesis co-supervision:** Leoni Vollman at Vrije Universiteit Brussel during academic years 2021-2023.

TEACHING EXPERIENCE

- **Guest lecturer and teaching assistant** in Sustainability course led by Dr. Galia Shokry at Kean University (New Jersey). 2nd semester academic course 2023-2024.
- **Co-instructor** in the MOOC ForGEDI "Gender Equality, Diversity and Inclusion in forest-related sectors" organized by of the IUFRO Task Force on Gender Equality in Forestry. Expected to be released by March 2024.
- **Guest lecturer** at the Urban Sustainability Program course led by Prof. Kenneth Gould at Brooklyn College-CUNY. 19th October 2023.
- **Co-instructor** in "Greening the City" course with Prof. Francesc Baró in the MSc on Urban Studies at Vrije Universiteit Brussel (VUB). Contributing in the co-design of the syllabus and bibliography, teaching, elaboration of participatory activities and exercises, design of other teaching materials and assistance. 2nd semester academic course 2021-2022.
- **Instructor** at the course "Urban green infrastructure" International Master program "City Resilience Design and Management" organized by Urban Resilience Network and hosted by the International University of Catalonia (UIC) in Barcelona. Yearly participation since 2018 and ongoing.
- **Co-instructor** at the course "Climate Emergency: challenges and proposals for the city" coordinated by Isabelle Anguelovski with the Consorci Universitat Internacional Menéndez Pelayo de Barcelona. 8-9th February 2022.
- **Guest lecturer** at the course/workshop "Post COVID public space transformations" in the International Master program International Cooperation Sustainable Emergency Architecture at the International University of Catalonia (UIC) in Barcelona. 11-18th December 2020.

RESEARCH PROJECTS

- **ClimateJusticeReady** (ERC-2022-POC2 - ClimateJusticeReady - Project number 101081926). Participation: Lead, full-time postdoctoral researcher.
- **FEMPUBLICBCN** (Barcelona City Council through the Scientific Research Awards "COVID Funding" Ref. 20S08725). Participation: Co-researcher (Predoctoral researcher as a team member).
- **GREENLULUS** (Green Local Unwanted Land Uses), 2016-2021. Funding Agency: EC-ERC. PI Isabelle Anguelovski, ICREA, Universitat Autònoma de Barcelona (1,450.000€). Participation: Collaborator, co-organizer of dissemination events and reports, and co-author of publications.
- **NATURVATION** (NATure-based URban innoVATION), 2016-2021. Funding Agency: EC-Horizon2020, PI Harriet Bulkeley, Durham University (7,800.000€). Participation: Collaborator, co-organizer of knowledge exchange workshops.
- **XXXIV Edition 8th March Award- Maria Aurèlia Capmany** project collaboration between BCNUEJ and Punt 6 "Ecofeminisme i emergència climàtica [Ecofeminism and climate emergency]" awarded by 2020, funded by the Barcelona City Council. Participation: collaborator.
- **ENABLE** (<http://projectenable.eu>) Biodiversa+ project. Participation: collaborator on database and analytical framework for tree community response capacity profiles and traits analysis (December 2017 – May 2018) with Dr. Johannes Langemeyer (ICTA/UAB) and Dr. Francesc Baró (ICTA/UAB).
- **MEDEAS** Horizon2020 project [www.medeas.eu]. Participation: collaboration with B.Sc. dissertation: "Indicators of climate change. Study of correlations and impacts on the biosphere" and report Solé, J. Madurell, T. Calderon, A., 2016. Environmental impacts analysis indicators. In Deliverable 2.2 Data Analysis. Results MEDEAS H2020.

INTERNATIONAL AND NATIONAL CONFERENCES

- Speaker at **Royal Geographical Society RGS-IBG Annual International Conference**. Presentation titled "How to map vulnerability in an empowering way? A climate gentrification index". City of event: London, UK. To be held 27-30th August 2024.
- Speaker at **ICTA-UAB Growth vs Climate Conference**. Presentation titled "Greening plans as (re)presentation of the city: towards an inclusive and gender-sensitive approach to urban greenspaces". City of event: Barcelona, Spain. 13-15th March 2024.
- Speaker at **Boston University Gentrification & Displacement Conference** "Gentrification, what can we do about it? An international dialogue". Presentation titled "Use and disuse of public green and blue spaces: gendered experiences in gentrifying neighborhoods after COVID-19". City of event: Boston, US. 26-28th October 2023.
- Speaker and session host at the **8th International Degrowth Conference Caring Communities for Radical Change** participatory workshop "A relational envisioning of the city of care". City of event: The Hague, Netherlands (Virtual). 24 - 28 August 2021.

- Speaker at **Regional Academy on the United Nations (RAUN) Conference** "COVID-19 Recovery: Towards more Resilient and Inclusive Solutions" presenting the paper and policy brief "Public-Private Partnerships for the promotion of Nature-based Solutions in urban settings" City of event: Vienna, Austria (Virtual). 16-17th December 2021.
- Speaker and session host at **IUCN World Conservation Congress 2020**. Session "Urban Nature for All: Building Capacity for Inclusive Urban Conservation". City of event: Marseille, France (Virtual). 5th September 2021.
- Speaker at the **American Association of Geographers (AAG) Virtual Annual Meeting**, in the session "Planning for green cities in crisis and beyond". City of event: Online. 8th April 2021.
- Invited speaker at **The Nature of Cities (TNO) Festival** in the sessions "Urban Trees and Citizens: Exploring Co-Living Benefits with i-Tree Toolbox in Europe" and "Urban nature and economic growth – compatible or discordant?". City of event: Online. 22-26th February 2021.
- Speaker at **Ecosystem Services Partnership (ESP) 10 World Conference**. Presentations titled "Urban ecosystem services from an environmental justice perspective: A systematic review" and "Considerations of justice in ecosystem services research. A systematic literature review". City of event: Hannover, Germany. 21-25th October 2019.

INTERNATIONAL AND NATIONAL SEMINARS AND WORKSHOPS

- **Invited speaker** at seminar with presentation titled "Gendered use and perceptions of public green and blue spaces in gentrifying neighborhoods during the COVID-19 pandemic". City of event: Brussels, Belgium (Virtual). Organized by: Urban Ecology Meeting group from Geography Department at Vrije Universiteit Brussel. 7th March 2024.
- **Invited speaker** at seminar with presentation titled "Environmental Justice: concepts, perspectives and dissemination". City of event: Amsterdam, Netherlands (Virtual). Organized by: Early Career Research Network of the European Human Exposome Network. 15th February 2024.
- **Invited speaker** at seminar with presentation titled "The green city from an environmental justice and gender perspective". City of event: Barcelona. Organized by: Gender and Geography research group, Universitat Autònoma de Barcelona. 15th December 2023.
- **Speaker** at special seminar with presentation titled "Situating Gender in the Integration of Environmental Justice within Urban Greening". City of event: New York, US. Organized by: Earth and Environmental Sciences doctoral program, City University of New York (CUNY) Graduate Center. 13th November 2023.
- **Speaker** with presentation titled "What does gender have to do with green? Analyzing the urban green infrastructure through an intersectional perspective" at ICTA Winter Symposium. City of event: Barcelona. Organized by: ICTA-UAB. 1st December 2022.
- **Invited speaker** with presentation titled "Greening the city from a feminist environmental justice perspective" at "ELO Session: Horizon Europe and the gender dimension in research". City of event: Online. Organized by: Research Centre Gender, Diversity and Intersectionality (RHEA), Vrije Universiteit Brussel. 8th March 2022.
- **Speaker** with presentation titled "Putting gender inequities in the urban greening agenda" at BCNUEJ PhD Seminar series "Green Planning for the Just and Inclusive City". City of event: Online. Organized by: BCNUEJ-ICTA-UAB. 14th January 2021.
- **Speaker and co-organizer** of workshop "Justice Challenges in Urban Sustainability" virtual Arena. City of event: Online. Organized by: UrbanA research project (Horizon 2020) and BCNUEJ-ICTA-UAB. 4-5th June 2020.
- **Poster presenter** titled "The role of street trees benefits in the distributional environmental justice of a compact city" at the ICTA Spring Symposium. City of event: Barcelona. Organized by: ICTA-UAB. 16th-17th May 2019.
- **Speaker** with presentation titled "Ecosystem services of street trees: socio-spatial inequalities in Barcelona" at 2nd Student Colloquium "Climate change, and environmental sciences?". City of event: Barcelona. Organized by: Universitat Politècnica de Catalunya. 27th-28th November 2018.

ORGANIZATION OF RESEARCH AND DISSEMINATION EVENTS

- **Speaker and co-organizer** of research workshop "Towards Urban Heat Justice. Predicting and Preventing Heat Gentrification in Climate-Adapting Cities" with experts, activists and policymakers from Barcelona and Boston. City of event: Barcelona. Organized by: ClimateJusticeReady research project (ERC PoC) and BCNUEJ-ICTA-UAB. To be held September 2024.
- **Co-organizer** at workshop titled "Dialogues between different actors interested in achieving a fair and green Barcelona" with experts, activists and policymakers. City of event: Barcelona. Organized by: BCNUEJ-UAB-ICTA 5th October 2022.
- **Co-organizer** at dissemination event titled "Public space, health, COVID-19 and gender: what can we learn? FEMPUBLICBCN results" with residents and policymakers. City of event: Barcelona. Organized by: BCNUEJ. 29th June 2022.
- **Speaker and co-organizer** at workshop titled "FEMPUBLIC. Where are we at? How do we move from here?". City of event: Barcelona. Organized by: BCNUEJ-UAB-ICTA-IMIM. 3rd December 2021.

- **Speaker and co-organizer** at workshop titled "Urban Environmental Justice Struggles in Barcelona. Participatory Action Research with StoryMaps" with experts, activists and local residents. City of event: Barcelona. Organized by: BCNUEJ-UAB-ICTA and UPA (Universitat Popular Autogestionada). 30th November 2021.
- **Co-organizer** at workshop titled "Nature-Based Solutions and Green Infrastructure at the urban region of Barcelona" with experts and local policymakers. City of event: Barcelona. Organized by: NATURVATION and ENABLE projects, BCNUEJ-ICTA-UAB. 4th December 2019.

KNOWLEDGE TRANSFER AND DISSEMINATION ACTIVITIES

Newspaper, radio, television

- Featured in **RTVE television news** as scientific expert in ecosystem services and street trees. 12th November 2022.
- Featured in **TV3 report** "Barcelona vol diversificar els arbres i reduir el plàtan al 15% del total en cinc anys [Barcelona wants to diversify trees and reduce London plane at 15% of total in five years]". 29th May 2022. <http://tinyurl.com/26bjmj6s>
- Featured in **RTVE television news** as scientific expert in ecosystem services and urban green infrastructure. 2nd November 2021.
- Invited speaker at **podcast "Això rai"** (@aixorai_) as scientific expert in environmental and climate justice. 26th October 2021.
- Featured in **RTVE television news** as scientific expert in ecosystem services and street trees 20th February 2020.
- Research featured in **El Periódico report** by Catanzaro M. "Los 200.000 árboles de Barcelona retienen al año el agua de 15 piscinas [The 200,000 Barcelona trees retain the water of 15 swimming pools]". 4th February 2020 <http://tinyurl.com/2z89ffv9>

Blogs and online articles

Other dissemination talks, seminars and activities

- **Invited speaker** at "Desfake Clima" educational program about fake news at high schools <https://desfake.cat/>. City of event: Barcelona. Organized by: Ecological and Forestry Applications Research Centre (CREAF) and Verificat. Academic course 2023-2024.
- **Invited speaker** at "Youth, Science and Ethics: 8th debate Climate Emergency" educational program (approx. 200 students involved in total). Lecturer at 5 different high schools in Barcelona and Terrassa and final theater-conference at **CosmoCaixa Science Museum** (Barcelona). Organized by: Fundació Catalana per a la Recerca i la Innovació (FCRI). Academic course 2023-2024.
- Triguero-Mas M, Cole H, **Calderon-Argelich A**, Bisjak H (Research team) "FEMPUBLICBCN: stories of the participants". Bougleux A (Film director). BCNUEJ (UAB-ICTA) & Col·lectiu Punt 6. 2022 <http://tinyurl.com/yxd3p3mh>
- **Invited speaker** at "Conversaciones desde el jardín [Conversations from the garden]". City of event: Caracas, Venezuela (Virtual). Organized by: Ciudad Laboratorio (<https://ciudlab.com>) civil association on urban experience and transformation. 5th June 2021.
- **Invited speaker** at Cafè PRISMÀTIC (seminar series with policymakers) with presentation titled "Arbres entre l'asfalt: beneficis i distribució de l'arbrat de Barcelona [Trees amidst the asphalt: benefits and distribution of Barcelona's urban tree canopy]" City of event: Barcelona (Virtual). Organized by: CREAM (Ecological and Forestry Applications Research Centre). 27th April 2021.
- **Invited as scientific expert** at debate and exchange sessions from Youth-Act project (project gathering young researchers and activists on global justice www.youthact.cat/). City of event: Barcelona. Organized by: Barcelona Youth Council and Universitat Pompeu Fabra. February-June 2021.
- **Invited speaker** with presentation titled "The services of the green spaces and the street trees of Barcelona" event with managers and technicians from the Barcelona City Council. City of event: Barcelona. Organized by: Direction of Green Spaces and Biodiversity, Urban Ecology of Barcelona City Council. 14th December 2018.
- **Speaker** with presentation titled "Limits to growth. Club of Rome reports updated" at conference EcoClimaUB (group on climate change dissemination). City of event: Barcelona. Organized by: Universitat de Barcelona. 15-16th May 2017.

OTHER RESEARCH COMMUNITY SERVICES

- **Peer reviewer** since 2022 in Urban Forestry and Urban Greening (Elsevier), Journal of Environmental Planning and Management; Local Environment (Taylor & Francis), The Geographical Journal (Royal Geographical Society - Wiley) and Revista Internacional de Sociología (CSIC).
- **Co-organizer and participant on CARES support group:** Gender, Power and Care for gender inequities and power abuse within academia at ICTA-UAB during 2019-ongoing. Organizing events, meetings, internal reports, film series screenings and student's support.
- **PhD students' representative** at ICTA-UAB 2019-2022.
- Member of **EcoClimaUB** (2017) group within the Department of Evolutionary Biology, Ecology and Environmental Sciences (Biology Faculty, Universitat de Barcelona). Group dedicated to the divulgation of Climate and Global Change with Dr. Narcís Prat and Dr. Carlos Gracia.

GRANTS

- **Mobility grant** "Societat Econòmica Barcelonesa Amics del País" for research stay at The City University of New York (CUNY) 2022.
- **PhD individual funding grant FI-AGAUR** from Generalitat de Catalunya "University, research centre and hospital foundation grants for the contracting of new research staff" 2019-2023.

INTERNSHIPS AND VOLUNTEERING

- **Internship** at Physical and Technological Oceanography department, Institute of Marine Sciences (ICM-CSIC) with Profs. Jordi Solé Ollé and Madurell Teresa Lopez (February – September 2017).
- **Internship** with paid collaborative scholarship at Plant Biodiversity Resource Centre, Universitat de Barcelona (<https://crai.ub.edu/ca/coneix-el-crai/CeDocBIV>). Participation in international projects on the herbarium: digitizing type specimens and database and participation on the Seed Atlas of Catalunya. Academic years 2015 - 2017
- **Internship** at Agroecosystems Research Group of the Department of Evolutionary Biology, Ecology and Environmental Sciences (Universitat de Barcelona) with Prof. Xavier Sans (July 2015).
- **Environmental volunteering** in Reserva Natural de Riet Vell - SEO/BirdLife Delta de l'Ebre (August 2015).
- **Environmental volunteering** in Chauvé (France) with World Wide Opportunities on Organic Farms (WWOOF) program (August 2015).

COURSES

- Course-interactive workshop on writing process, creative technique and urban exploration "Writing (on) the Urban Question" in Brussels from by Sarah Butler at Vrije Universiteit Brussels (VUB) Belgium (22-24 March 2023).
- Courses organized by Universitat Autònoma de Barcelona 2020-2022 years: "Viquipèdia: how to promote free academic content in university teaching framework", "Writing your thesis in English", "Gender perspective applied to the Thesis", "Simultaneous Learning of Romance Languages".
- MOOC courses organized by Universitat Autònoma de Barcelona and Coursera (2020) in "Democracy and public decisions. Introduction to public policy analysis" and "Women in environmental biology".
- Courses organized by ICTA-UAB 2019-2023 years: Basic training on preventive stress management", "The Road to Competitive funding", "Spatial Analysis (GIS) with R", "Feminist approaches to research", "Gender Equity and Social Justice", "Course R-adv: Advanced statistical computing using R", "Oral and Poster presentations", "Core communication skills and time & task management for scientists", "Research Design", "Scientific Writing: The Why and How of Good Scientific Writing".
- Course on QGIS organized by Barcelona Activa Cibernàrium, 30th-2nd July-August 2018.
